

ordering your official ffa jacket

OFFICIAL JACKET POLICY: FFA jackets are sold to and are for use by active constitutional FFA members only. If a jacket is given or sold to a non-member, the emblems and lettering must be removed.

OFFICIAL JACKET DESCRIPTION: The jacket is made of 100% domestic cotton, “national blue” corduroy with a concealed zipper, slash welt pockets, adjustable brass buckle tab waist, inside pockets and double-needle stitching for durability. Matching Swiss embroidered emblems are on the front and back, in “national blue” and “corn gold.”

JACKET FIT: Carefully reading the instructions on how to order jackets is imperative. Due to the change of the jacket fit in the fall of 2005, you WILL NOT be able to use old fit jackets to determine what size to order as the old jackets are not cut in the same way as the new ones. In general, if a student is of average weight and height, you will only need to measure their chest/bust and order the corresponding size.

ORDERING INSTRUCTIONS: FFA offers two standard jacket styles, Item 100, tailored for the average male (5'10") and Item 103, tailored for the average female (5'5"). The charts on page 87 are for standard jackets and provide the actual body measurements and physical jacket measurements by size for both males and females. If your student is of average weight and height, simply measure their chest/bust and order the corresponding size. If you have any doubt whether you are ordering the correct size, simply take a few more measurements and determine if the measurements are the same as the body measurements for that size (see chart on page 87). If you find that they are not, check the actual jacket measurements to see if there will be enough room to account for the discrepancy or whether you should order a size larger for a more comfortable fit. If you have any questions, please contact one of our customer representatives for help. Please follow the instructions and illustrations carefully! DO NOT GUESS! Official jackets CANNOT be returned, exchanged or credited.

JACKET SIZES:

Male jackets (Item 100) are available in sizes 28-56
Female jackets (Item 103) are available in sizes 28-50

JACKET FRONT LETTERING: Official jackets are lettered on the front with computerized embroidery. On the order form, include your full name and the latest FFA office held with date. Dates will be used only when you specify an FFA office. Only one office can be used.

JACKET BACK LETTERING: On the order form, list your state name (which will be above the emblem) and your chapter name (which will be below the emblem). Back lettering cannot be re-done, so take extra care when ordering.

DELIVERY INFORMATION: All jackets are processed on a “first-in, first-out” basis. Orders are expected to be shipped within three weeks of receipt. (Note: Deadline for receiving jacket orders needed for the 85th National FFA Convention is Sept. 14, 2012. Please plan accordingly. Official jackets needed in less than 14 days will be charged expedited shipping and handling fees.)

DOMESTIC OR IMPORTED: We are in our sixth year of shipping a combination of both domestic and imported jackets. All fabric is made domestically and then shipped to Universal Lettering Company or to our agent overseas for assembly. All jackets are inventoried and lettered at Universal Lettering Company and are pulled randomly from stock. If you require a domestically assembled jacket, you can select the “Domestic Jacket Required” box on the jacket order form for an additional \$10 charge.
