

Guide to ordering your FFA Jacket

Deadline to order to have jacket in time for LDE contests - September 29, 2014

- Log on to: <http://www.ffa.org/> and click on "SHOP"
- Move mouse over the icon "Blue catalog" then "Official Dress" and choose from "Mens" or "Womens". Click on "Jackets". Choose between the Mens/womens official jacket (standard) or the Mens/womens Tailored Jacket (custom). (the difference between the standard and the domestic is that the domestic was actually sewn in the U.S. and they charge an extra fee for it)
- Read the page information about measuring guidelines (bottom of the page). Open up the links to help with measuring if needed. (attached are the linked documents)
- After deciding what size of jacket you need to order, click the correct jacket size.
- To try to prevent you from having to reorder a jacket every year for your student I suggest:

Order Freshman **girls** jackets **1 size larger**

Order Freshman **Boys** jackets **2 sizes larger**
